Alpha Bank Cyprus Ltd stands by women
A symbolic gift offered to all female Staff members through Europa Donna
Cyprus

On the occasion of **International Women's Day**, celebrated on 8 March, **Alpha Bank Cyprus Ltd** offered a symbolic gift to all its female Staff members, obtained through a financial contribution to **Europa Donna Cyprus**.

The action was implemented as part of the Bank's Corporate Responsibility Program, with the aim of thanking women for their contribution to family, work and society. At the same time, it financially supports the important work carried out by **Europa Donna Cyprus** to raise public awareness on the prevention, early diagnosis and information on breast cancer issues.

Alpha Bank Cyprus Ltd has been a long-standing supporter of the work and the contribution of **Europa Donna Cyprus**, which offers specialised services to thousands of individuals in need of help and support. More specifically, it aims to provide support services to patients with breast cancer or gynaecological cancer, to advocate for patients' rights, as well as raise public awareness, contributing in this way to prevention and early diagnosis.

Alpha Bank Cyprus Ltd is distinguished for actively contributing and providing practical support to Society, through the actions of its Corporate Responsibility Program "TOGETHER". In line with its corporate Purpose to "enable Progress in life and business for a better Tomorrow", Alpha Bank Cyprus highlights in a transparent manner the role it wishes to play in society. Standing by women for equality, egalitarianism and the elimination of gender discrimination, Alpha Bank Cyprus is implementing a series of actions aimed at promoting equal opportunities and respect for diversity in the workplace and in business. The significant steps taken by the Bank in this direction are also confirmed by the renewal of the "Equality Employer" certification awarded to the Bank for the 3rd consecutive time by the National Certification Body for the Implementation of Good Practices on Gender Equality in the Working Environment.
